- Collect and Report on Outcomes
- Timeline (March 2015 – December 2016)

# Overview

## What is a CC Collaborative?

- Why are they important?
- Why are they unique?
- What are the goals?
- CC Collaborative within an existing system

# ***The Care Coordination Collaborative Model***

Connecticut Children's  
*Office for Community Child Health*

# Four Core Components

- **Formal and Informal**
- **Support Child Health**
- **Common Access to Central Portal**
- **Data Collection and Dissemination**

# Three Structural Requirements

- Organizing Entity
- Regional / Statewide
- Data Collection / CQI

# Building the Infrastructure

## BUILDING THE INFRASTRUCTURE

Select an Organizing Entity

Assign Collaborative Responsibilities to Staff

Conduct an Environmental Scan and Review Findings

Identify and Recruit Collaborative Members

# ***The Connecticut DPH Commitment to CC Collaboratives***

**Mark Keenan:**

Director of Title V Children and Youth with  
Special Health Care Needs  
CT State Department of Public Health

# Building the System

## BUILDING THE SYSTEM

### Develop the Core Components

Convene a diverse group  
of care coordinators  
(regional & state level)

Support  
child health services  
providers

Provide access to a  
central portal of entry to  
programs & services

Collect, analyze and  
disseminate data

# Sustaining the System

## SUSTAINING THE SYSTEM

**Develop a Continuous Quality Improvement Process**

**Work toward regional- and state-level reach and impact**

**Establish Sustainable Funding**

# Resources

Care Coordinator Collaboratives Manual: Central Utility, Shared Resource

# CC Collaborative Process & Outcomes

## Reporting on:

1. Reporting on Planning and Building of the Infrastructure
2. Adhere to Core Components
3. CQI Process
4. Results of the PARTNER Tool

# CC Collaborative Tools and Resources Affiliate Section of *HMG* National Website

The screenshot shows the website's header with a search bar and navigation links: Home, Contact Us, HMG Maintenance of Certification, My Account, and Logout. The main header features the Help Me Grow National Center logo and tagline, "Helping States Help Children at Risk," alongside a photo of a child playing with blocks. A secondary navigation bar includes links for The HMG System, HMG National Center, HMG Affiliate States, Resources, Research, and Newsroom. The main content area is titled "Welcome to the Affiliate Toolbox" and contains a welcome message, a link to "The Complete Help Me Grow Manual," and a link to "Getting Started." On the right, there is a "Toolbox Quick Search" section with a category dropdown, a search input field, radio buttons for "Exact Match" and "Match Any Words," and a "Search" button. At the bottom right, a purple box highlights "The Help Me Grow Directory of Expertise."

## Materials include:

- Care Coordination Collaborative Manual
- Recorded Webinar Archives

**Questions or Comments?**

# Thank you!

- **This Webinar was recorded, and will be archived on the HMG National website:**  
[www.HelpMeGrowNational.org](http://www.HelpMeGrowNational.org)
  - Affiliate Section of Website
  - “*Help Me Grow Innovations*” Section
  
- *SurveyMonkey* questionnaire from *HMG National*
