PLANNING & IMPLEMENTATION STATUS

In January 2016 *Help Me Grow* Alaska hosted a broad family and stakeholder community meeting. Five workgroups convened in spring 2016 to develop implementation and sustainability recommendations based on the four core components of *HMG*. Workgroups will provide recommendations to the leadership team for the *HMG* Alaska strategic plan by September to prepare for a “soft launch” in late 2016 and statewide expansion in 2017.
