

Help Me Grow[®]

NATIONAL NETWORK

MAINE

PLANNING & IMPLEMENTATION STATUS

Maine currently is in the planning phase around *Help Me Grow*. The National Team conducted a site visit in September 2015. Maine Quality Counts is facilitating four *Help Me Grow* workgroups in the spring of 2016.

OUR HMG SYSTEM

Four small groups are working on exploring the *Help Me Grow* core components. The groups will be making recommendations regarding the implementation of *HMG* to the Developmental Systems Integration Steering Committee and State leaders. Final recommendations will be reported in September 2016.

HELP ME GROW CORE COMPONENT WORKGROUPS

- Child Health Provider Outreach** Eight-member group co-facilitated by representative from local pediatric center specializing in behavioral and developmental services
- Family and Community Outreach** 11-member group co-facilitated by a parent information, referral and support organization
- Centralized Phone Access Point** Seven-member group co-facilitated by a representative from Department of Health and Human Services-Child and Family Services Office
- Data Collection & Analysis** Six-member group co-facilitated by a representative from Department of Health and Human Services-MaineCare Office
