2. Review the HMG Impact Indicators that will be featured in the Fidelity Mini Assessment
3. Review the expected release timeline and reporting details

---

## Today's Agenda

- Objectives
- HMG Strategic Goals
- Overview of the Mini Assessment
- Timeline, dates and what to expect
- HMG Fidelity Page of the website
- Open time for questions

# Strategic Steps to HMG Spread and Scale

1. **Further validate HMG's impact model** and measure network performance towards equitable outcomes (including those defined by communities)
2. **Accelerate the network's ability to use data to achieve community change** at the state and system level (including investment in services that are culturally appropriate)
3. **Clearly define how the HMG model should be used to advance racial equity** (through the components of targeted universalism)
4. **Secure robust funding for early childhood systems infrastructure** in several key states to build momentum for a parallel national policy and advocacy agenda
5. **Pursue ~3x growth, emphasizing equitable growth within existing states** to serve populations that mirror racial/ethnic demographics of communities

## Help Me Grow Strategic Planning

### 5 Growth Priorities

## Purpose

- Having System-level Data More Readily Available
- Alignment with Federal Partners and Grant Opportunities
- HMG as an Early Childhood Leader

# Expanding the HMG National Center team and Expertise
